

Signing In

1. Enter <https://advisor.gatech.edu/> in the address bar. **Please note this link will not be active until after September 14, 2020.**

2. You will be redirected to Georgia Tech Login Service.
3. Enter your GT credentials.

A screenshot of the Georgia Tech Login Service page. The page has a black header with the Georgia Tech logo on the left and "Georgia Tech Login Service" on the right. Below the header is a white login form. The form has a title "Enter your GT Account and Password" and a sub-header "Login requested by: idp.gatech.edu". It contains two input fields: "GT Account:" with the value "gburdell27" and "Password:" with masked characters. Below the password field is a checkbox labeled "Warn me before logging me into other sites." and a blue "LOGIN" button with a "clear" link next to it. To the right of the form is a yellow box with "ATTENTION" text and "TERMS OF USE" text. Below the form are three blue links: "I don't know my GT Account", "I don't know my password", and "My correct username and password aren't working". At the bottom of the page is a footer with copyright information and various links like "Emergency Information", "Legal & Privacy Information", "Accessibility", "Accountability", "Accreditation", and "Employment".

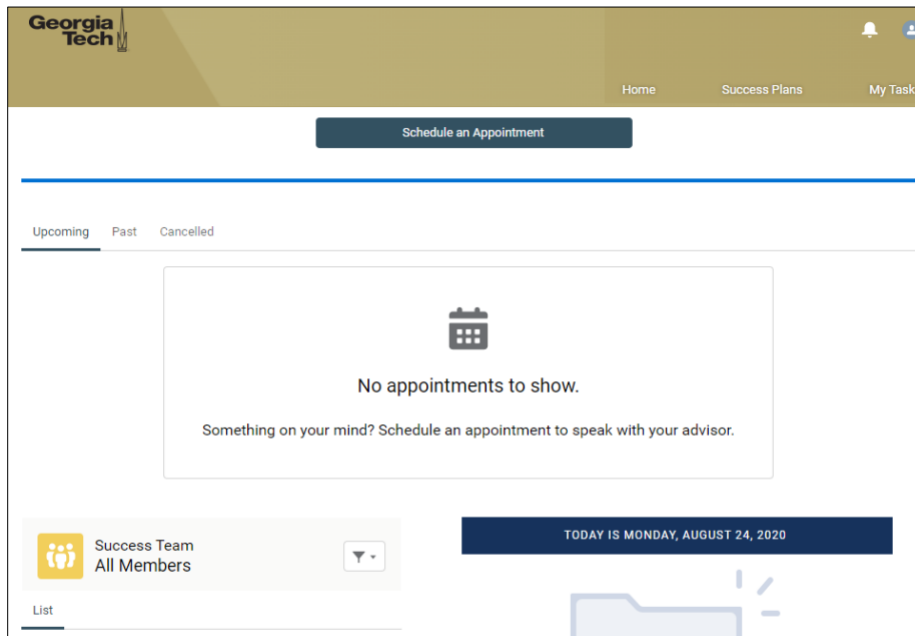

4. Select Login.

5. You will have three options on two-factor authenticated. If you are not using your personal device, it is not recommended to remember for 7 days.

The screenshot shows the Georgia Tech Login Service interface. At the top left is the Georgia Tech logo, and at the top right is the text "Georgia Tech Login Service". The main heading is "Two-factor login is needed". Below this is a form titled "Choose an authentication method" with three options: "Duo Push RECOMMENDED" with a "Send Me a Push" button, "Call Me" with a "Call Me" button, and "Passcode" with an "Enter a Passcode" button. There is a checked checkbox for "Remember me for 7 days". On the left side of the form, there are links for "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". Below the form, it says "Powered by Duo Security". On the right side, there is a warning: "To avoid being locked out in the future if you don't have your device: Print backup codes" with a link to "Print backup codes". Below this are several other links: "Service change: Duo SMS/Text messages disabled", "Access Denied? Getting two-factor (Duo) working", "Not your phone numbers or devices?", "Why am I seeing this page so often?", "Can't log in because you don't have your phone or token?", and "Troubleshooting FAQ". At the bottom of the page, there is a footer with copyright information: "© 2020 Georgia Institute of Technology" and links for "Emergency Information", "Legal & Privacy Information", "Accessibility", "Accountability", "Accreditation", and "Employment".

6. Once you have successfully duo authenticated you will be redirected to SAL.

7. If you receive the message below please submit a help request ticket via ServiceNow.
