4. Select Login.

- 5. You will have three options on two-factor authenticated. If you are not using your personal device, it is not recommended to remember for 7 days.

The screenshot shows the Georgia Tech Login Service interface. At the top, the Georgia Tech logo is on the left and "Georgia Tech Login Service" is on the right. Below the header, a message states "Two-factor login is needed". A central box titled "Choose an authentication method" contains three options: "Duo Push RECOMMENDED" with a "Send Me a Push" button, "Call Me" with a "Call Me" button, and "Passcode" with an "Enter a Passcode" button. Below these options is a checked checkbox for "Remember me for 7 days". To the left of the central box are links for "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". To the right, a warning message says "To avoid being locked out in the future if you don't have your device: Print backup codes" followed by several troubleshooting links. The footer contains copyright information and various utility links.

- 6. Once you have successfully duo authenticated you will be redirected to SAL.

The screenshot shows the SAL dashboard. At the top, the Georgia Tech logo is on the left, and navigation links for "Home", "Success Plans", and "My Tasks" are on the right. A "Schedule an Appointment" button is prominently displayed. Below this, there are tabs for "Upcoming", "Past", and "Cancelled". The main content area shows "No appointments to show." with a calendar icon and a prompt to "Schedule an appointment to speak with your advisor." To the left, there is a "Success Team" section with "All Members" and a dropdown menu, and a "List" section showing an "Academic & Career Advisor" with a profile icon. On the right, a date banner reads "TODAY IS MONDAY, AUGUST 24, 2020" and a folder icon with the text "You're all caught up" and "No Tasks." is displayed.

7. If you receive the message below please submit a help request ticket via ServiceNow.
